They have quite a selection on their menu, including a number of different Asian dishes and dishes that are just so good you might say they are French. I've only had the noodle dishes, but they are just delicious! In any event, I had it today with a nice big of steamed rice and it was really great! I was there with my brother and his wife, who both ordered the special of the day. It was a chicken dish with mushrooms, vegetables and eggplant. It was really tasty. I also asked for extra lettuce and they got it ready right away. Service was great and the place is really nice. Definitely a great place! Nice to read about the unexpected places in our growing metro region where we can enjoy Asian food and great service.Why Buy a Refrigerator? What is the Best Time of Year to Buy a Refrigerator? Definitive answers to this question are hard to come by. Consumers usually research at different times of the year. For example, some of them may get their appliance as an upgrade to their home, while others may be buying it as a new home appliance. However, the shopping season for refrigerators begins in December, and ends in February. This is when the prices of refrigerators decrease considerably. Best Time of Year to Buy a Refrigerator In January, consumers will start getting offers at various stores, online, etc. In fact, customers will
